How to Prepare —

You will be provided with a 10'x10' exhibit space that has black 8' high back drape and 3' high side drape. This **does not** include a table, chairs, electricity, other booth furnishing, or carts for setup. Your booth can be displayed however works best for your products, but please view the requirements and recommendations listed below.

Setting up your space —

- **Floor Covering:** The floor of Hall E is concrete, so a floor covering of some kind is recommended and will make your space more inviting. You may bring in your own carpet, area rugs, removable tiles, or any other floor covering for your 10'x10' booth. The flooring does not have to cover the entire floor place, it can be centered within the space. Do **NOT** use self-adhesive tiles or duct tape on the convention center floor, the Minneapolis Convention Center requires you to use gaffer's tape. [Click here to view.](#)
- **Holiday Item / Winter Themed Decoration:** **All booths are required to have an item that will carry the holiday / winter theme throughout the show.** This can be: a holiday item or product that you sell, a string of lights, a small decorative tree, a wreath or garland, or any other type of holiday/festive décor. You can decorate your entire space or accent your booth; we want our visitors to feel the theme of the holidays / winter as they shop the entire show. [Click Here to view examples.](#)
- **Height of Display:** You may build your booth up to 8' high on all sides, but you are **required to be mindful of your neighbors** and stay within your allotted 10'x10' booth space. If any part of your display interferes with your neighbor or comes out into the aisle, you may be asked to move your display in accordance with these rules.
- **No Children Under 16:** **Any children under the age of 16 will not be allowed on the show floor during set-up or tear-down.** This is for their safety and all exhibitors need to be in compliance with the Convention Center's policies.
- **No Tacking, Taping, or Pinning:** All exhibitors must be in accordance with the Convention Center policies regarding hanging decorations. You **will not** be able to tape, tack, nail, or otherwise fasten decorations to the walls, windows, doors, floors, glass, ceilings, or painted surfaces of the Convention Center. In addition, exhibitors **will not** be able to pin any hanging signs or decorations to the drape within their booth, however hanging items from the pipe using s-hooks from the decorator is permitted. S-hooks will be available at the exhibitor check in and decorator desks near the move-in doors.

Move-in and Move-out –

Please review information regarding our set-up and tear-down process. With such a large hall and so many exhibitors, following these instructions will help the entire process run smoothly.

- Due to limited space in Exhibit Hall E, there will be no vehicles permitted into the exhibit hall unless it is a part of your booth display. You will need to cart your items from your vehicle at the loading dock to your booth. All exhibitors are advised to bring your own carts.
- Move-in doors are located at the back of the hall and can be accessed through the **Hall E loading docks**. You will enter the loading docks through the entrance off **E. 16th Street**, and attendants at the gates will direct you to **Hall E**. [Click Here to View a Map of the Loading Docks](#)
- You will be assigned a specific move-in time based on your booth size and location. Below are the hours that the hall will be available for move-in, but please arrive at your assigned time. **You will receive your move-in assignment via email two weeks prior to the show.**
- General Move-in will be scheduled **Wednesday, October 30th between 1:00PM and 6:00PM** and **Thursday, October 31st between 10:00AM and 6:00PM**.
- If the assigned date and time is not possible with your schedule, please let show management know and arrive during the general move in times above. The exhibit hall will be open on Friday before show hours, please contact show management if you will need to set up Friday morning.
- When you arrive, please check in at the table near the move-in doors inside the hall. There you will pick up your exhibitor badges, find your booth, and meet the show managers who will be available throughout the weekend.
- **Storage:** Due to limited space in Exhibit Hall E, there will be no room for additional storage inside the exhibit hall, or indoor trailer parking. Show Management and the MCC are not responsible for your items, so please store any valuables or merchandise at your own discretion.
- **Loading Dock Parking:** Purchase of loading dock parking passes is a first-come first-served basis with the other events held at the Convention Center. Parking passes are solely purchased through the Minneapolis Convention Center, please contact them directly at (612) 335-6550.
- **Move-out will begin on Sunday, Nov 3rd when the show closes at 5:00PM.** For the safety of attendees and respect for fellow exhibitors, do not begin dismantling your booth before 5:00pm. Leaving early will lower your opportunity to exhibit again at future events. Once you have dismantled and packed up your booth, you will get your vehicle from the parking garage and cart your items to the loading dock.
- You will have access to the hall for move-out until **9:00PM on Sunday**. The hall will also be available on **Monday, Nov 4th from 8:00AM-1:00PM**. **You must have all your items out of the hall by 1:00PM Monday, or they will be dismantled and stored by the decorator at your expense.**

During the Show –

Show Management is here to help at any point during the show. See below important information that will help make this event a success for you.

- **Onsite Management:** Show managers will check in with you throughout the weekend, but if you have urgent questions, please go to the L&L Info Booth at the front of the Exhibit Hall. If they are unavailable, go to the Box Office and request show management to stop by your booth.
- **Box Office:** The box office will be set up outside the entrance to Hall E.
- **Payment Processing:** Major mobile networks have recently updated their capacity at the MCC, so your cellular data should be high speed for processing credit card payments on mobile apps (i.e. Square). If you need wireless internet services through Smart City, it will be available onsite for a daily rate. You can access this by connecting to the Exhibitor Wi-Fi network and selecting your options from the pop-up page to log in. **If you do not wish to purchase internet and cannot use data, please research an option that allows credit card processing offline.**
- **Booth Sitters:** If you need someone to watch your booth during breaks, there will be booth sitters available at the L&L Info Booth inside the Exhibit Hall. We suggest bringing a friend or coworker to the show to help you with breaks, because a booth sitter is not guaranteed. Show Management is not responsible for your merchandise.
- **Connect with us on Social Media!** Please use the hashtag **#giftandartexpo** on social media and be sure to follow our Facebook and Instagram **@giftandartexpo**. We'd love to see your updates before and during the event!

Information for Sellers and Event Operators

Operators/organizers of craft, antique, coin, stamp or comic book shows; flea markets; convention exhibit areas; or similar events are required by Minnesota law to get written evidence that persons who do business at the show or event have a valid Minnesota tax ID number.

If a seller is not required to have a Minnesota tax ID number, the seller must give the operator a written statement that items offered for sale are not subject to sales tax.

All operators (including operators of community sponsored events and nonprofit organizations) must obtain written evidence from sellers.

Certain individual sellers are not required to register to collect sales tax if they qualify for the isolated and occasional sales exemption. To qualify, all the following conditions must be met:

- The seller participates in only one event per calendar year that lasts no more than three days;
- The seller makes sales of \$500 or less during the calendar year; and
- The seller provides a written statement to that effect, and includes the seller's name, address and telephone number.

This isolated and occasional sales provision applies to individuals only. It does not apply to businesses.
